

# W.H.E.E.L.

Welfare

The W.H.E.E.L (Welfare, Health, Education, Evangelism and Local Church) Fund is organized by the Central Jamaica Conference of Seventh-day Adventists to help meet the high demand for welfare and other local church needs.

Over the years, the Conference and local churches have attempted to meet requests relating to welfare, education and health using an ad hoc approach. These requests usually go beyond what the Covenant Offering is able to do.

W.H.E.E.L is, therefore, established to address these needs in a more organized way by tapping into the 'gift-giving' source of income and taking advantage of the combined effort of each member of the church.

As such, besides tithe and covenant offering contributions, the Conference is asking each member to make a small, but consistent contribution towards the W.H.E.E.L fund on either a weekly or monthly basis. The idea, is that, with this united approach, the Church will be able to do more than any of its single entities (Church or Conference) towards meeting its welfare need demands.

For example, based on the scenarios presented in the table below, if 10,000 members (out of approximately 50,000 attending members) make contributions of \$500.00 per month, the church will have sixty million dollars (\$60,000,000.00) available each year to address welfare needs through WHEEL.

Scenarios	# of Members Participating	Monthly Contribution \$	Yearly Total \$
1	\$10,000	\$500	60M
2	\$15,000	\$500	90M
3	\$10,000	\$1,000	120M
4	\$15,000	\$1,000	180M

"And all that believed were together, and had all things common; And sold their possessions and goods, and parted them to all men, as every man had need. And they, continuing daily with one accord in the temple, and breaking bread from house to house, did eat their meat with gladness and singleness of heart, Praising God, and having favour with all the people. And the Lord added to the church daily such as should be saved."

Acts 2:44-47
